MEMORANDUM

SUBJECT: DANKOV, Anna nee MUSYKA alias STARY

1. The files of OSO-SIA reflect the following information on the subject of your request.

a. At the request of the Visa Section of the American Embassy in London, in July 1951, a check was made on Subject when she applied for a visa to the United States. Records of a Foreign Government Agency indicate that Subject arrived in England from Denmark on 22 June 1951 and was granted permission to stay in England for two months only, provided she did not take up any form of employment. She said she was on the staff of the Ukrainian paper "Gromadzkyj" in Munich. The purpose of her visit was to see friends and to visit the Scottish League for European Freedom in Edinburgh. The latter is an anti-Communist organization conducted by Mr. John STARY of Edinburgh, to look after the interests of emigres from countries behind the Iron Curtain.

b. Subject's husband, Vasyl DANKOV alias Jaroslav STARY, is a former Ukrainian Prime Minister, a prominent member of the Bandera Group of Ukrainians, and is now the president of the Central Committee of the Anti-Bolshevik Bloc of Nations (A.B.N.) in Munich. He has paid a number of visits to this country to see Ukrainian emigre groups in England and to visit Mr. John STARY mentioned above.

c. According to sources, Subject is strongly anti-Communist but he noted that it is possible that the A. B. N. organization in Germany has been penetrated by the Soviet through certain Ukrainian nationalists.
